

## Venture Equipment Teen Racing

WDRA has a program that allows teenagers 13 to 17 years old to compete against each other in street legal cars and trucks. This is a very inexpensive way for families to get involved in drag racing and a chance for parents to cultivate a close working relationship with their children. A co-driver will ride with the teen competitors on all runs to coach the driver and join in the fun. TR competitors will receive a WDRA competition license, and medical insurance coverage. The racing will be in a bracket race format and the car/truck must run 9 seconds or slower in the 1/8<sup>th</sup> mile. Competitors can also compete in the Jr Dragster class but not any other class.

License forms are available at the track or can be downloaded from our website or the WDRA website. Call or email Gerald with any questions at 641-780-3534 or [manager@eddyvilleraceway.com](mailto:manager@eddyvilleraceway.com).
