

## **Venture Equipment Teen Racing**

**WDRA has a program that allows teenagers 13 to 17 years old to compete against each other in street legal cars and trucks. This is a very inexpensive way for families to get involved in drag racing and a chance for parents to cultivate a close working relationship with their children. A co-driver will ride with the teen competitors on all runs to coach the driver and join in the fun. TR competitors will receive a WDRA competition license, and medical insurance coverage. The racing will be in a bracket race format and the car/truck must run 9 seconds or slower in the 1/8<sup>th</sup> mile. Competitors can also compete in the Jr Dragster class but not any other class.**

**License forms are available at the track or can be downloaded from our website or the WDRA website. Call or email Gerald with any questions at 641-780-3534 or [manager@eddyvillraceway.com](mailto:manager@eddyvillraceway.com).**
